
You and Your Family Could Qualify For Food Stamps If:

- You have low income or work for low wages.
- You have or will get a social security number.
- You will get a job if you are able and aren't working now.
- You have child or elder care costs, or pay child support.

- You have high medical bills, rent, house payments, or utilities.

Citizens and many legal immigrants can qualify for food stamps. Getting food stamps won't hurt you if you want to become a citizen.
